## Your insurance renewal

Dear Mr Stewart,

Thanks for insuring your musical equipment with us over the past year - we'd like to let you know that your current policy is **due to expire on 25 March 2019**.

This product meets the demands and needs of an individual who wants cover for their musical instrument(s) and/or equipment in the event of loss, theft or accidental damage. If you have selected the Public Liability and Personal Accident Cover add-on, this product meets the demands and needs of a performing individual who wants cover for personal injury and cover for claims from third parties for injury and damage caused to them or their property.

### What do I need to do?

Since you are paying by Direct Debit, your cover will renew automatically.

This is a good opportunity to make sure that your personal details and the value of your instruments are up-to-date, and all of your equipment is covered on your policy. You can view these details on your Certificate of Insurance and check what you're covered for in your Policy Booklet. Please be aware of any policy updates by reading the Important Notice, which outlines any changes.

### What if I want to change my policy?

If you'd like to adjust your policy, including adding/removing instruments, changing insured values or coverage levels, then you'll need to call us on **0330 100 9903** and we'll be able to make the changes to your policy.

We can also switch you over to receive your policy documentation by email if you prefer. Did you know you can change your email or paper documentation preferences at any time? Call us on 0344 391 4037 or email us at [musicalinsurance@allianz.co.uk](mailto:musicalinsurance@allianz.co.uk) to make a change.

### For your peace of mind

Your musical instrument insurance is underwritten by Allianz Insurance plc, one of the UK's largest insurers. If you need to make a claim you'll also get your own claims handler, who will guide you through the process and keep you fully informed on the progress of your claim.
